## Hardware/Software Requirements

*e-Match Reports* requires a Microsoft-Windows based PC running Windows with *Internet Explorer* version 5.x and above. Limited tests have been performed using *Firefox* 1.0 as the browser.

## How to access e-Match Reports

The application is located at: [www.nwiobfc.com/MATCHReports](http://www.nwiobfc.com/MATCHReports). After a connection is made, the user is presented with a *Sign-In* screen.

Click on **Sign In**, to load the authentication page.

The User Name is: **NISAR**, and the password is set to: **Yuaskme05**.

## Filing an e-Match Report

From the displayed list of matches, select a match by clicking on , preceding the details of the match of interest. An electronic version of a match report is loaded with some of the information loaded already (such as: Teams, Location, and time).

Fill-in match score, Referees' names as well as details re: injuries, if one

occurred. The next section allows for recording information re: goal scorers, yellow cards, etc. The players' names from both teams are

presented in alphabetical order. By clicking on  details about a particular player are presented.
